Problems Encountered

As per customs and its privileges, MATOSHRI SHANTABAI ARTS, COMMERCE AND SCIENCE COLLEGE WASHIM has been imparting education as well as thinks to develop students personality in all areas and angles. Considering the vision of the college Academic Session 2021 2022, procure also the whole world become victim of this calamity. As Such drastic and horrific situation, the vital Role has been done by the N.S. S Unit of Matoshri Shantabai Gote Arts, Commerce and Science College, Washim. These cadets worked for the propagation of Awareness Programmes but convincing people for the task of blood donation was difficult as people think that donating blood makes them weak. The N.S.S cadets convinced the people very carefully for the task of blood donation.

Date: 24 November 2021

Venue: Kekatumara Dist. Washim

Matoshri Shantabai Gote Arts, Commerce and Science College, Washim on behalf of the National Service scheme at Kekatumara, a voting awareness rally was held on 24 November 2021. It was started with the idol worship of Saint Gadge Baba. NSS Programme Officer Dr. B R Tanpure Appealed in his guidance that Voting is very important for every citizen. In order to strengthen the democracy in schools all over the world, it is necessary for all the people to know about the voting process. The Election Commission has shown to the world that democracy has succeeded in India. The Election Commission was established on January 25, 1950. Therefore, this day is celebrated as a national day. Various voter awareness programs have

been planned across the district to create awareness. Today, the voter incumbents are the king in democracy. It is necessary to vote for the welfare and development of the country. They appealed that everyone should exercise their right to democracy for strengthening. Voters Participations in elections should be increased; such precious thought also delivered by Sanjay Gote. It is said that measures are necessary. He expressed the need to explain the importance of the election programme to the people as the percentage of uneducated voters is low even today. After that the Rally was started in the adopted village of Kekatumra. In which all volunteers participated. Those volunteers explained the importance of democratic process to the people. Raised public awareness through interaction with citizens Also many announcements were made by performing street plays 24 November 2021
