Environment Policy Statement

Our goal is to improve the environment in our community by working with area businesses, community leaders and our neighbors to create a clean and safe place to live and work.

List of Environmental Issues

All N.S.S activities are uploaded on the website on the following link <https://www.msgotecollege.org/NSS>

The National Service Scheme of the Matoshri Shantabai Gote College has carried out a dirt-free campaign under the *Swachhata pandharwada*. Therefore, the government in our country is emphasizing on cleanliness as cleanliness is directly related to the health of the citizens and the health of the citizens is directly related to the development of the health of the country. Cleaning of public places in Swachhatar village etc. In August, in collaboration with Bharatiya Akhila, the young Nehru team of the Center increased the Raseyo Kadam Ek Aao. Intense slogans were kindly conveyed to the citizens regarding the disintegration of its waste dry and waste wet citizens to the community need and it has set up the sound dents involvement in various social activities. Head of re actively involved in implementation monitoring and conducted by NSS students Different committees have been to tract student's activities. the activities carried out are published in the annual SHABDSHILP.

Volunteers from the Raseyo team of the local Matoshri Shantabai Gote College of Arts, Commerce and Science, Washim, have planted trees in their respective villages. Despite the current high prevalence of the corona virus in the country, Raseo's volunteers have maintained a social commitment to protect the environment in the world. The Raseyo team of the college is proving its commitment to the society through various activities. As a part of this, Swayamsevak Pradeep Patte Bahadur and other volunteers have planted trees at Zilla Parishad Primary School, Arogya Vardhini Sub-Center and other places in village Kekat Umra and have given the mantra of environmental conservation. At village Brahma, Sham Gajanan Dhongade and other volunteers planted 150 saplings on about five to six acres of land.

No Vehicle Day

The college celebrates from last two years 1 January as No vehicle day. The staff and students do not bring their vehicles or keep them outside the compound wall of the college.
