## Academic Bank of Credits (ABC-ID)

### Meaning of ABC ID :

The Academic Bank of Credits (ABC-ID), is an initiative by the Ministry of Education, Government of India to provide a digital platform for storing and sharing academic credits earned by students.

### Aim of ABC ID :

The platform aims to promote flexibility and mobility in the higher education system by facilitating credit transfer and accumulation across academic institutions. Also revolutionize the higher education system in India by promoting flexibility, mobility, and employability.

### Pursue of ABC ID :

Under the ABC system, students can earn academic credits for courses completed in any recognized institution and accumulate them over time. These credits can be transferred to other institutions or used towards obtaining a degree or diploma. The platform aims to simplify the credit transfer process and provide a seamless experience for students seeking to pursue further education.

### Other Benefits of ABC ID :

The ABC system also provides a range of additional services, including career counseling, job placement, and skill development courses. These services aim to enhance the employability of students and equip them with the necessary skills and knowledge to succeed in their chosen career paths.
