Prabhu Shri Ramchandra Prasarak Mandal's Tondgaon

MATOSHRI SHANTABAI GOTE ARTS, COMMERCE & SCIENCE COLLEGE, WASHIM – 721

(NAAC Accredited With 'B' Grade)

Attainment of POs and COs are evaluated.

2023-24

Attainment of POs and COs are evaluated.

Institute has aim to provide the education which makes the development of the student by every aspect. The CO's/ PO's put forward by the institute target the aims and objectives of the institution. When the desired CO's / PO's gets fulfilled the institution acquires the desired target and the society benefits at large and the nation progress towards the developed country.

In order to gain the attainment of the CO's and PO's the class mentors performs his many duties with the help of different curricular, extra curricular activities, along with the teachers the administration with the help of exams, N.S.S, Sports activities. N.S.S. activities are society oriented and develop the feeling of co-operation and brotherhood. It helps the students to be the civilized persons.

The attainment of the CO's, PO's,PSO's measured by different ways.

- University exam is one of the way to examine the attainment of the outcomes, also measured by the Skills observed in the students.
- The different aspect to which include University exam and college internal evaluations.
- The other aspects are the employments acquired by the students.
- The highest education acquired by the students and the student's feedback for the different programmes organized by the institution all these elements reflects the attainment of the CO's, PO's , PSO's.
- The process includes the development of knowledge and behavioral changes among the students. Methods adopted for the evaluations of CO's, PO's , PSO's are 1) Home evaluation which include Home Assignments, Unit Tests, Seminars, Projects, Group Discussions, etc. 2) Exam Assessment which includes the exams conducted by the university with theory and practical exams. Institute analysis these results and asked the faculty to improve this result ratio.
- The better result is the ultimate outcome of the education system. As mentioned earlier other extracurricular activities N.S.S. Sports, Cultural, IKS, Research are also evaluated by the teacher in charge and put forth his observation this is a product or the outcomes which is the ultimate goal of the Institution.
- Participation of the students in activities, study tours, industrial visits, Avishkar, Achievement in Sports and Cultural etc. also helps in determining the attainments of the CO's, PO's, PSO's.
- The students feedbacks and evaluation system helps the teacher in his work of attainment.
- The aim behind the formation of CO's, PO's , PSO's is development of the knowledge of every kind among the students.
- The institute adopted the Mentor-Mentee Scheme where only first year B.A students are allotted to every teacher for personal care. Students get personally connected with the teacher mentor and gets guidance for his issues related to study and other psychological issues too. Alumni Association which includes many professionals it is also a part of attainment of CO's, PO's, PSO's.

Attainment of POs and COs are evaluated.
